

THE PRAYER OF PRIORITY 2025

Dear Father,

We come to stand together recognising that it is both Your promise and Your nature to hear Your people from heaven as we cry out to you. We believe that our nation needs both healing and forgiveness, which only comes from You. Bring an end to the apathy, annexation, anxiety and apostasy across the UK. Replace it with unity, passion, confidence and unwavering belief in You. Let it be known as a truly United Kingdom.

As you promised Solomon, You heal lands and it is our desire that You heal ours. We know that, Father, it pleases You when Your people put their faith in You and earnestly seek You. We thank You that You have called us to be Your people seeking Your face and putting our hope in You.

Today, we pray to humble ourselves before You and encourage all to turn away from all wickedness. We return to our first call by loving you with all our heart, mind, soul and strength. We repent and pray for Your mercy – Father, forgive us for all of those who don't know what they are doing and grieving You.

Yet, we know that a word from You can change all circumstances. We believe that nothing is impossible for You. In 2025, we commit to making prayer our priority by putting our will and lives into your hands, and we pray in expectation that you will roar over our nation like a lion once more. We will commit to humbling ourselves, seeking your face and repenting until our land is healed.

We ask all of this, by our privilege, through the precious, saving name of Jesus Christ, Amen.
